Leaving the club

If the swimmer decides to stop swimming with us, we would expect to be notified by email and the monthly standing order cancelled from the following month.

If someone stops attending, we will make contact twice to see if there is an intention to continue. If there is no response to both contacts, we will lapse the membership at that point.

It should be noted that the club is unable to stop any payments received in respect of lapsed membership. This can only be done by the person making the payments. In the circumstances a standing order is not cancelled in a timely manner, the club will be unable to refund any overpaid fees.

Once completed, this form should be handed to the Membership Secretary OR into the Club desk at Grangemouth Complex (every Tuesday).
